Wheel Guide

At inTech Trailers we pride ourselves not only on building the finest trailers available, but also on giving our customers choices throughout the design process of their new trailer, including giving you options when it comes to the wheels on your trailer. This guide will show you the numerous wheel options that we offer. Thank you for choosing inTech Trailers, we truly appreciate your business and look forward to building your new inTech Trailer.

Please contact your inTech dealer to confirm that the wheel of your choice is available for the production of your trailer. The information in this guide is for reference only and inTech Trailers is not responsible for any errors or omissions in this guide. Wheel availability is subject to change without notice.
