

inTech RV 3/1 Warranty

inTech RV warrants the structural portion of the trailer manufactured for a period of 3 years from the date of purchase. The structural portion of the warranty includes the main aluminum frame and all the aluminum crossmembers welded to it, including the framing in the walls and roof. The trailer manufactured by inTech RV shall be free from manufacturing defects in materials and workmanship supplied and attributable to inTech RV for a period of 1 year from the date of purchase. Other components such as but not limited to tires, wheels, axles, awnings, couplers, generators, jacks, air conditioners, doors, windows, etc are covered by OEM warranties and thus must be filed with the OEM. This warranty is transferable to any sequential owners for the remainder of the warranty period. When ownership is transferred, a new warranty registration card must be filed with inTech RV within 15 days of purchase. The terms and conditions of the warranty are applicable for all future owners of the product during the warranty period. The inTech RV warranty is valid only if the trailer is returned to inTech RV for repairs or a repair facility authorized by inTech RV. Reasonable notification must be given for all repairs. When an authorized repair facility is used, a written estimate must be provided to inTech RV prior to any work being performed. This warranty does not cover freight to or from inTech RV for repairs or to an authorized repair facility. The original purchaser of the product and any person to whom the product is transferred, and any person who is an intended user or beneficiary of the product shall not be entitled to recover any consequential or incidental damages resulting from any defect in the product. These damages include damage to personal property, loss of use of the trailer, loss of revenues or any other commercial losses, subsequent use of rental equipment, loss of time and inconvenience or any other such losses.
